# Living Legacy

THE LIVING LEGACY links Jewish learning to Jewish practice and family celebrations through a series of creative and stimulating hands-on experiences and events. Children and their families are actively involved in this educational process.

The mission of the Living Legacy is to transform Jewish values and ideals into a living force in the lives of children and youth through positive experiences. Instilling the desire to live Jewishly, and to actively participate in and contribute to the Jewish community's heritage and practices, is the key goal of this program.

The whole family is encouraged to join us and participate in these educational workshops.
